

“It’s Time for a Sacred Place”

Good Samaritan Lutheran Church

Our Mission

Love God. Love People. Make a Difference.

Our 2020 Vision

As we live out our mission, by the end of 2020 we will regularly impact 1000 families by making a difference in our local community and world. We will do this by connecting them to the life changing love of Jesus and by creating more room on our campus through the addition of a sanctuary and the expansion of our academy.

Our Strategy

To complete our campus by building a sacred space of worship for our members and attenders. This is where God’s love will be proclaimed and worshippers will be equipped to grow in their love for God and others.

Our Blessings

- We are located in what may very well be the fastest growing part of the Las Vegas Valley.
- We are the only mainline church in this area. (*Mainline means: Lutherans, Methodists, Presbyterians, Episcopalians, etc.*)
- The 9:35 AM service is currently stretched to the limits in our present worship space.
- Financing for a large portion of the sanctuary is already approved by a lender. (Thrivent)
- The final phase of our school is under construction allowing us to eventually touch 350 children and approximately 300 families.

Our Challenge

... is to raise the necessary financial resources through a capital campaign that will allow us to implement our strategy.

A new dedicated sanctuary will:

- ... provide a sacred, holy place for worship while accommodating contemporary worship as well.
- ... complete the dream that began ten years ago of a separate sanctuary.
- ... complete the build-out of our campus with a sanctuary reflecting a design appropriate to our campus and community.
- ... comfortably provide seating for 350 people.

Our Process

- Launch a capital campaign
- Ask members and attenders to prayerfully support our challenge
- **Break ground on the sanctuary once \$600,000 has been received**
