

The Big Idea: We want to shape the way we see ourselves around the way God sees us and who we are in Christ so that we can have a healthy, godly perception of ourselves and our world.

Theme Verse: “Be careful how you think; your life is shaped by your thoughts.” Proverbs 4:23

PART 1. See Right—Be Right

Why We Often Have an Incorrect Picture of Who We Are

1. We let _____ define who we are.

“The reason we struggle with insecurity is because we compare our behind-the-scenes with everyone else’s highlight reel.” Steven Furtick

2. We let our _____ define who we are.

“If anyone is in Christ, they are a new person. The old has gone, the new is here!” 2 Cor. 5:17

The essence of poor identity is having the wrong perspective

How Do I Begin to See Right So I Can Be Right?

1. See _____ correctly.

“My God is changeless in his love for me. And He will come and help me...” Psalm 59:10

“God sent his Son into the world not to judge the world, but to save the world through him.” John 3:17

2. See _____ the way God sees me.

“But you are not like that, for you are a chosen people. You are royal priests, a holy nation, God’s very own possession. As a result, you can show others the goodness of God, for He called you out of the darkness into His wonderful light.” I Peter 2:9

3. Connect with _____ who see me the way God sees me.

“As iron sharpens iron, So a person sharpens the countenance (identity) of their friend.” Prov. 27:17
